

Would you like to join us?

The Haverfordwest Business Circle was set up in November 2014 with the sole intention of regenerating footfall to our county town. We take a practical and enthusiastic approach and are very proud of what we have achieved. Membership has grown to over 80 members in these years.

We are very proud of the Business Circle's achievements and we are invited to meetings with Pembrokeshire County Council. We have put on many successful events, and the public is talking about us.

Our members are kept up to date and we now welcome charities and community groups to join us. It is not compulsory to attend meetings or get involved with any activity we offer, but at only **£30.00** a year (from Oct/Nov) your name and business will appear on our website, Facebook page and regular adverts on Facebook if sent in.
